

# Research to Action Study: Preliminary Thinking on Design and Ethics Application

Karen Busby, with Melanie O’Gorman, Leona Star and  
Katherine Starzyk

Seeing things get worse  
rather than better.

# Objectives

- Expert opinions on the pros and cons of various advocacy strategies.
- Best ways for First Nations peoples and non-Indigenous people to work together.
- Keep pressure on.

**Who should we interview?**

# What questions should we ask?

# What strategies should we suggest?

‘National disgrace’: Alberta First Nations sue federal government over drinking water

JESSICA BARRETT, CALGARY HERALD  
06.19.2014

**Any advice on how to ensure that this project is respectful, useful and worthwhile?**
